LYME DISEASE

ARE YOU SUFFERING WITH CHRONIC LYME?

Despite all of the advances in modern medicine, people are suffering on a daily basis. Why? Many today are living with Chronic Lyme. They have tried many different forms of treatment including antibiotics and natural therapies, to no avail. This can be discouraging and costly, leading many to lose hope.

Are you suffering with Chronic Lyme? A negative blood test does not rule out a diagnosis of Lyme Disease, especially if symptoms strongly suggest Lyme.

Have you been suffering with the following but your Lyme test is negative?

- **CHRONIC JOINT PAIN**
- **ACHINESS ALL OVER**
- **FATIGUE**
- **DEPRESSION**
- **LOW ENERGY**
- **"FOGGY BRAIN"**
- **NUMBNESS & TINGLING IN THE EXTREMITIES**
- **HEADACHES**
- **DIZZINESS**
- **SLEEP DIFFICULTIES**
- **SHORTNESS OF BREATH/BLURRED VISION**

At **Nature's Wisdom Wellness Center** many come to us with the diagnosis of Chronic Lyme Disease. Others come because they are in pain but don't know what's wrong with them. Ondamed has helped many dealing with chronic Lyme. Here is what some have said about Ondamed[®] Therapy available at Nature's Wisdom:

Joe S. "Ondamed[®] relieved the aches and pain in my joints, after only 5 sessions. I couldn't lift my arm above my shoulders. Now, with monthly maintenance, I've never felt better "

Alex "Ondamed[®] has improved the quality of my life. I am very sick from Chronic Lyme at times. I went from having no energy to being myself again. It helped my joint pain go away and helped me to be happy again."

WHAT IS ONDAMED[®] THERAPY?

Ondamed[®] is an electromagnetic frequency device that is **FDA approved** for the treatment of pain and general malaise from CHRONIC ILLNESS.

HOW DOES ONDAMED[®] WORK?

Using the ONDAMED[®] electromagnetic frequency device, a technician scans the body, determines interference fields and blockages and simultaneously delivers the frequencies that your body requires for better balance. Given the right environment, your body can heal itself. One of the keys to Ondamed's[®] success compared with other frequency devices, is that Ondamed[®] uses pulse biofeedback, to individualize the program for each individual's specific needs.

(Continued on Page 2)

LYME DISEASE (Continued)

HOW DOES THIS HELP?

Ondamed[®] frequencies stimulate connective tissue. This stimulation leads to:

- **Enhances the release of toxins leading to improved detoxification**
- **Enhances the absorption of nutrients into the cell**
- **Reduces edema**
- **Increases cellular repair & regeneration**
- **Improves circulation**
- **Increases vitality**
- **Balanced metabolism**
- **Activates lymphatic drainage**
- **Better moods**

For over a decade therapists in Europe have been utilizing Ondamed[®] in their practice with enormous success. Dr Wolf Dieter Kessler MD says of the therapy, "ONDAMED[®] is one of the finest German inventions. It allows easy and effective analysis and therapeutic application. My clinic is considered to be one of the leading institutes for treating acute and chronic diseases. ONDAMED[®] has proven to be an indispensable tool."

At **Nature's Wisdom Wellness Center**, many choose to compliment their Ondamed[®] therapy with other natural therapies such as :

- **Reflexology**
- **Far infra-red sauna.**
- **Ionic footbaths.**
